

First Grade Writing:

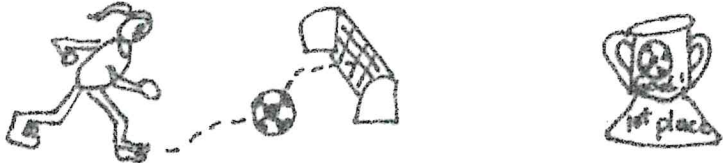

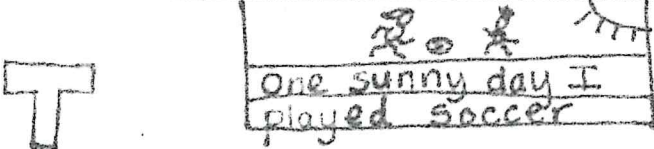

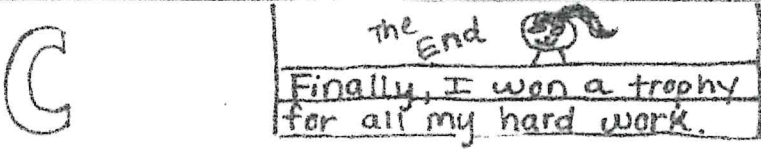

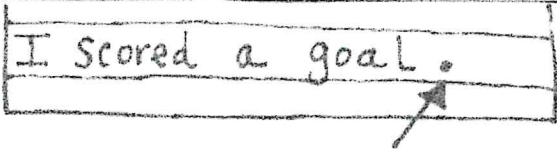

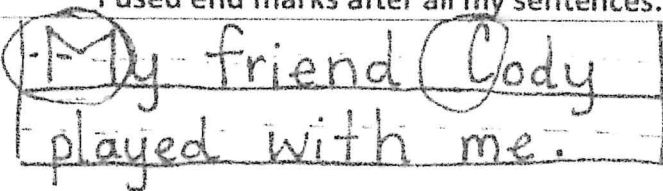

The children will be writing stories from a prompt in this packet. This is narrative writing and we have included a rubric called "How is my narrative writing". They should be writing about the prompt and then checking to see if they have all the necessary items from the rubric (introduction, transitions, details, conclusion, punctuation, capitalization.)

We have included enough prompts for writing 3 times a week. Have fun!

They can pick the days they want to write and which prompt they would like to do. They can do them in any order they choose! We have included a few extra prompts for them to write about as well.

Remember, use your best first grade handwriting!
